**South Valley Services Celebrates Remarkable Success in Year-End Fundraiser,
Raises Over \$91,000 to Support Survivors!**

WEST JORDAN, UTAH – South Valley Services, an organization dedicated to assisting survivors of domestic violence and sexual assault, is delighted to announce the unprecedented success of its year-end fundraiser. The outpouring of support from generous donors and dedicated media followers has propelled the organization to surpass all expectations, raising an impressive **\$91,000**.

This total marks a historic milestone for South Valley Services, making it their most successful fundraising campaign yet. The substantial funds raised will play a crucial role in addressing survivors' unique and immediate needs under their care.

The \$91,000 in contributions will be instrumental in transforming and saving lives in ways that traditional grant funding may not cover. Cash donations provide the flexibility to address specific client needs, including cellphone bills, housing applications, and doctor copays.

Additionally, the support extends to essential expenses such as Covid tests, cold medicine, warm bedding, and general upkeep of client spaces, ensuring a comfortable environment for those seeking refuge.

South Valley Services extends its deepest gratitude to the community whose unwavering support has been instrumental in achieving this milestone. The organization recognizes that without the support of its donors and media followers, fulfilling its mission would be an uphill task. The success of this fundraiser is a testament to the collective impact that communities can achieve when they come together to support those in need.

"We want to express our deepest gratitude to our community. South Valley Services couldn't fulfill its mission without your support. Thank you for standing with us on our journey to creating a better tomorrow for survivors and working towards violence-free futures for all. Together, we are making a significant impact, and your continued support makes this vision possible. Thank you again for being an integral part of our success story," said Josie White, Development Director at South Valley Services.

As South Valley Services continues its commitment to creating a safer and more supportive environment for survivors, it looks forward to leveraging the funds raised to make a lasting impact on the lives of those it serves.
